SMART THERMOSTAT INCENTIVE RULES AND GUIDELINES

INCENTIVE DETAILS

- Incentive applies only to SWEPCO customers with an active residential account.
- Incentives are limited to two (2) Smart Thermostats per home.
- Incentive will not exceed sales receipt amount.
- Incentives are issued in the form of checks, not utility bill credits.
- Only two (2) incentive requests per service address.
- Incentive Application and copy of sales receipt showing retailer name, address, purchase date, price, proof of payment, product manufacturer and model, must be received within 90 days of purchase and installation.
- SWEPCO is not responsible for inaccurate information.
- Funding for this program is limited to funds availability.
- Homes with Heat Pumps require professional installation of the Smart Thermostat to be eligible for an incentive.

INCENTIVE APPLICATION DETAILS

Qualifying smart thermostats must have invoice dated between January 1, 2019, and December 31, 2019. Completed incentive application, invoice and copy of sales receipt showing retailer name, address, purchase date, price, proof of payment, product manufacturer and model, must be received within 90 days of purchase and installation. Incentives will be awarded on a first-come, first-served basis until the allocated program funds are depleted. First-come, first-served status will be determined by the date the incentive application is received by the program administrator. The SWEPCO incentive payment cannot exceed the final purchase price of the device, including all applicable utility incentives.

Failure to complete all information will result in denial of incentive. SWEPCO reserves the right to amend or suspend this program without notice.

DO NOT INCLUDE INCENTIVE APPLICATION WITH YOUR SWEPCO ELECTRIC BILL.

SWEPCO reserves the right to conduct random inspections to verify installation of the incentivized equipment at the installation address listed on the form. The customer agrees to allow SWEPCO access to the smart thermostat/equipment use data as enabled from the thermostat manufacturer. **SWEPCO reserves the right to inspect installations before issuing an incentive. If the residence does not have the qualifying material or work installed, the homeowner may be required to pay back the incentive and the contractor will be deemed ineligible to offer incentives to future customers.**

LIMITATIONS OF LIABILITY; INDEMNIFICATION

In no way shall SWEPCO be liable for, and Customer hereby agrees to indemnify, defend and hold harmless SWEPCO, its subsidiaries or affiliates, and their respective employees, Officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, mis-operation, or use of customer's installed materials and installations.

Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, SWEPCO, relieve the customer of exclusive responsibility for the Customer's systems. Specifically, SWEPCO approval of the incentive application, payment of the incentive, or any SWEPCO inspection of the qualifying materials and installations shall not be construed as confirming or endorsing the materials or installation or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the materials or installation.

SWEPCO is not responsible for items lost or delayed in the mail, or any incentive delayed due to incomplete or incorrect information on the incentive application and/or invoice.

SWEPCO is not responsible for any taxes that may be imposed as a result of your receipt of any incentive.

QUALIFYING CUSTOMERS

- This program is available only to SWEPCO residential customers who own or rent a residential home or apartment.
- To qualify as a smart thermostat, the unit installed should have the following capabilities and installation parameters:
 - ENERGY STAR certified
 - Wi-Fi enabled
 - Remote adjustment via smart phone or online
 - Automatic scheduling
 - Energy history
 - Occupancy sensing

QUALIFYING INSTALLATION

ENERGY STAR certified smart thermostats must be fully installed, operational and connected to the internet via Wi-Fi prior to submitting an incentive application. Thermostat installation must conform to all applicable building, local and state codes, manufacturer specifications and requirements. **Homes with Heat Pumps require professional installation of the Smart Thermostat to be eligible for an incentive.**
