

THE COOLEST WAY TO SAVE.

How cool is a CoolSaver A/C Tune-up from SWEPCO?

By thoroughly inspecting, cleaning, testing and adjusting your A/C unit, we can improve its cooling output and efficiency up to 30 percent. That means lower energy costs, longer-lasting equipment and a cooler, more comfortable home.

Schedule yours today and we'll cover the costs up to \$200.

Instant incentives

- ▶ \$150 (1.5–2.5 tons)
- ▶ \$200 (>2.5–5 tons)
