

GROUNDBREAKING SAVINGS

SWEPCO incentives are available for commercial new construction projects that exceed Arkansas's energy code requirements. Contact us before you break ground to see how we can help you lower operating costs, improve comfort, boost productivity, and add to your building's long-term value.

Earn incentives to help pay for qualifying:

- Interior and exterior LED lighting (must be DesignLights Consortium or ENERGY STAR® certified)
- Advanced lighting controls
- HVAC equipment (must exceed state and federal minimum efficiency standards)
- Food service equipment and appliances

Required documentation:

- All design documents, including lighting, electrical, and mechanical schedules/layouts
- Project site address
- Square footage of structure

Please submit all documentation before or during construction to brian.craig@clearesult.com.
